Availability is subject to inventory and prior commitments — advance reservations are strongly recommended.

HOW RENTAL WORKS

01

RESERVE

Call with your dates and what you're forming. We confirm availability and reserve your package.

02

WE DELIVER

Forms & accessories arrive clean, sorted, and jobsite-ready on your schedule.

03

YOU BUILD

Run your pour on a standard 10-business-day term. Need longer? Extended terms are available.

04

WE PICK UP

Stack it clean and sorted — we handle retrieval and haul it back.

RENTAL TERMS

- **Per-square-foot pricing.** Form rentals are priced on the square footage of forms — call for a quote on your package.
- **Standard 10-business-day term.** Extended and repeat-customer terms available in writing.
- **Delivery & pickup included.** We transport, set out, and retrieve — no truck or trailer required on your end.
- **Hardware & consumables quoted separately;** return forms clean & sorted.

PUMPING & HAULING

- **Concrete pumping** — line & boom pumping to reach the pour anywhere on site. Call for pricing.
- **Hauling** — form delivery, retrieval, and general material hauling.

\$150/hr

HAULING & TRANSPORT

- ✓ **Backed by North River Builders** — a working contractor that knows the jobsite.
- ✓ **Forms, pumping & hauling in one call** — we keep your crew building.

- ✓ **Well-maintained inventory** delivered clean, sorted, and ready to set.
- ✓ **Local & responsive** — Harrisonburg, serving the Greater Shenandoah Valley area.

RESERVE YOUR FORMS, PUMP & HAULING

Give us your pour dates and we'll build a package and quote — delivered and picked up on your schedule.
