

RENTAL, PUMPING & HAULING RATES

CONCRETE FORMS · EQUIPMENT RENTAL · CONCRETE PUMPING · HAULING · A DIVISION OF NORTH RIVER BUILDERS

FORM RENTAL

standard 10-business-day term

\$1.50 / sq ft

OF FORMS · PER 10-BUSINESS-DAY TERM

Minimum per rental

\$400

How it's figured: total square footage of forms × \$1.50/sq ft for the standard term, never below the \$400 minimum. Reusable hardware (wedge bolts, walers, turnbuckles) and consumables are quoted separately — see below.

EXAMPLE — STANDARD TERM BY SIZE (FORMS + CONSUMABLES + 1 HR HAUL)

FORMS (SQ FT)	FORM CHARGE	+ CONSUMABLES & 1 HR HAUL	EST. TOTAL
Up to ~265 (min)	\$400	+ ~\$165	~\$565
500 sq ft	\$750	+ ~\$178	~\$928
1,000 sq ft	\$1,500	+ ~\$206	~\$1,706
1,500 sq ft	\$2,250	+ ~\$234	~\$2,484
2,000 sq ft	\$3,000	+ ~\$262	~\$3,262

Consumables estimate ≈ 1 flat tie per 2'×8' form (~\$0.40 ea) + form oil at 1 gal / 200 sq ft (~\$6.18/gal), plus 1 hr hauling (\$150). Ties bill only if not returned; form oil is consumed; hauling is billed by the hour. Illustrative — call for a firm quote.

RENTAL TERMS

- Standard term: 10 business days from delivery.
- Late return: +50% of the base charge if not cleaned, sorted, and available for pickup by term end — and +50% again per additional 5 business days.
- Delivery & pickup handled by NOR-RIV; hauling billed separately.
- Return condition: cleaned, sorted, and stacked as delivered.

CONCRETE PUMPING & HAULING

- Concrete pumping — line & boom pumping to reach the pour anywhere on site. **Call for pricing.**

\$150/hr

HAULING & TRANSPORT

- Form delivery & retrieval and general material hauling, billed by the hour.

CONSUMABLES & REPLACEMENT

Consumable items are not included in the rental base and are billed only if not returned — at replacement cost. Lost, damaged, or unreturned reusable forms & hardware are charged at replacement value per the rental agreement.

Flat ties

Base ties

Anchor bolts

Form oil

REQUEST A QUOTE

Give us your pour dates and form sizes and we'll build a package and firm price.
